

# Old Soul Bridal

## Dress Remainder Choice + Authorization Form

(Print and include a copy in your box.)

### Customer Information

Name: \_\_\_\_\_

Email: \_\_\_\_\_ Order #: \_\_\_\_\_

## Step 1 — Choose ONE option (required)

**RETURN:** After my keepsake is complete, I want Old Soul Bridal to return meaningful remaining fabric/materials to me (when available).

**Return shipping:** Old Soul Bridal will prepare my remainder package, obtain the shipping cost, and email me an invoice. **Remainders ship after the invoice is paid.**

**Note:** Depending on the item and dress materials, there may be little to no meaningful fabric remaining to return.

**DONATE:** After my keepsake is complete, I authorize Old Soul Bridal to donate the remaining unused fabric/materials (if any) from my dress to **The Emma & Evan Foundation.**

**Note:** If you do **not** wish to donate, select **RETURN**. If you select **RETURN**, no donation receipt is needed.

## Step 2 — Authorization + Important Terms

By signing below, I acknowledge:

- I am the legal owner of the materials provided and have the authority to make this choice.
- My keepsake will be created by cutting/reshaping fabric; **cutting is permanent** and materials cannot be restored to their original form.
- Fabric is delicate and may have wear (snags, pulls, discoloration). Old Soul Bridal will handle materials with care, but outcomes vary due to the nature of textiles.
- If I selected **RETURN**, I understand remainder shipping is billed separately: Old Soul Bridal will email an invoice for return shipping, and **remainders ship after the invoice is paid**. I also understand there may be little to no meaningful fabric remaining to return depending on the item and materials.
- If I selected **DONATE**, I understand the donation is voluntary and final once transferred, and donated materials may be cut/repurposed at the Foundation's discretion to support its mission.
- If I selected **DONATE**, **no goods or services were provided in exchange** for this donation. The Foundation does not assign a value to donated items.
